

Radu Giuran

Full Stack Developer

PROFESSIONAL SUMMARY

- Currently working part-time as a trainer assistant, teaching Html, Css, JavaScript, React, Node.js and MongoDB. Additionally, I run a small business in my native city.
- As a Full Stack Developer and proud graduate of NewTech Academy, my background in both web development and transport management equips me with a unique blend of technical and organizational skills for the tech world.
- I am serious about my work, punctual, and hardworking, always pushing the boundaries of what I can achieve in the tech sphere.
- Fluent in Romanian and English, and a little French, I am comfortable working in diverse environments and am eager to collaborate with people from different backgrounds.
