 I currently work part-time as a trainer assistant, where I teach
HTML, CSS, JavaScript, React, Node.js, and MongoDB.

 I am a Full Stack Developer and a proud graduate of NewTech
Academy. With a robust background in both web development and
transport management, I bring a unique blend of technical and
organizational skills to the tech world.

I am particularly passionate about building scalable and user-
friendly digital solutions. I'm serious about my work, punctual, and
hardworking, always pushing the boundaries of what I can achieve in
the tech sphere.

Being fluent in Romanian, English, I am comfortable working in
diverse environments and cherish opportunities to collaborate with
people from different backgrounds.
